**Subject: In appreciation of our Visit to India (Mumbai and Goa) - 2010**

*"Our brief encounter with Ashley D'Silva personified the services being rendered by your organization, he was so very kind and accommodating, going out of his way to walk the extra mile for us - our vacation started on the right foot and it brought a smile on every member of my family. We were happy to have met Ashley...and that too for the first time! What an impression. - Menin Rodrigues, Karachi, Pakistan"*
